

Nomination Form

Good health is more than just good health care. Good health starts where New Brunswickers live, work and play. That is why Horizon Health Network is looking to celebrate individuals and or groups that are making a difference in Helping People be Healthy.

Horizon is looking to recognize people, and or groups, that understand the importance of health and well-being and are working to improve the factors that negatively impact population health in their community.

When nominating, please provide answers to the best of your knowledge. Please attach additional sheet if you wish to submit more information.
